Subject: Trial in Sept.

Hi Sonja,

I'm sorry to read that article that Jim had forwarded me about the lab closing down. I hope the best is yet to come for everybody in the lab. You have always been so accommodating and professional with all the cases I have worked with you. I still don't understand how we go from needing chemists to testify in cases one year, to closing a lab the next. But I know I am preaching to the choir.

Anyway, you were scheduled to come in on the [REDACTED] on Sept. 8 here in Pittsfield. The investigating officer is out for surgery, so the trial has been moved to 1/23/12. I know everything is in flux with the lab closing, but I just wanted to give you a heads up that the case has been moved.

Thanks again for everything. If I can be of any help, please let me know.

Joe
